STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. CRAPO (for himself and Mr. CRAIG):

S. 1459. A bill to designate the Federal building and United States courthouse located at 550 West Fort Street in Boise, Idaho, as the "James A. McClure Federal Building and United States Courthouse"; to the Committee on Environment and Public Works.

Mr. CRAPO. Madam President, I rise today to introduce legislation naming the Federal building and United States courthouse in Boise, ID, for our former colleague Senator James A. McClure.

Jim McClure ably served Idaho for 24 years in the United States Congress, including 18 years here in the Senate. At the time of his retirement from the Senate in 1991, Jim McClure was one of the most senior members of the Republican Conference, serving as its Chairman from 1981 to 1985. Prior to entering Congress in 1967, Jim McClure also served 6 years in the Idaho State Senate.

Throughout his service in Congress, Jim McClure was widely recognized for his expertise on energy and natural resource issues, especially in the areas of mining, forestry, public land, water, and natural resource law. As Chairman of both the Senate Interior Appropriations Subcommittee and the Senate Energy and Natural Resources Committee, Jim McClure was a key legislator behind the establishment of the Hells Canyon National Recreation Area in western Idaho and eastern Oregon. Jim McClure also led the drive for the creation of the Frank Church River of No Return Wilderness in Idaho, and he was instrumental in helping to assist and improve Idaho's rural economy and standard of living.

Known for his ardent support of second amendment rights and hard-line stance on foreign policy and defense issues, Jim McClure was an influential voice in working with several administrations on arms control issues. In 1990, he was a part of a four-member Senate delegation that visited Iraqi President Saddam Hussein to express concern about Iraq's development of chemical, biological, and nuclear weapons.

Having retired from the Senate more than 10 years ago, Jim McClure has continued to be active in working with Congress on behalf of many important groups in Idaho and throughout the country. His civic-mindedness has also been illustrated through his service as a Trustee for the Kennedy Center for the Performing Arts.

As former Prosecuting Attorney for Payette County, ID, as well as former City Attorney for Payette, the renam-

ing of this courthouse for Jim McClure is an appropriate tribute to his service to Idaho and to the Nation. I invite my colleagues to join Senator CRAIG and me in honoring Senator James A. McClure through this legislation. Mr. President, I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:

S. 1459

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. DESIGNATION OF JAMES A. MCCLURE FEDERAL BUILDING AND UNITED STATES COURTHOUSE.

The Federal building and United States courthouse located at 550 West Fort Street in Boise, Idaho, shall be known and designated as the "James A. McClure Federal Building and United States Courthouse".

SEC. 2. REFERENCES.

Any reference in a law, map, regulation, document, paper, or other record of the United States to the Federal building and United States courthouse referred to in section 1 shall be deemed to be a reference to the James A. McClure Federal Building and United States Courthouse.

By Mr. DURBIN:

S. 1461. A bill to amend title 49, United States Code, to require that the screening of passengers and property on flights in air transportation be carried out by employees of the Federal Aviation Administration, and to assist small- to medium-size airports with security enhancements; to the Committee on Commerce, Science, and Transportation.

Mr. DURBIN. Madam President, I rise today to introduce a very timely and important piece of legislation, the Airline Passenger Safety Enhancement Act of 2001.

This legislation would require the Federal Government to operate passenger and carry-on baggage security checkpoints and screening operations in airports. The federalization of the screening process, and the Federal Government's role, will be accomplished by using FAA or U.S. DOT personnel, security personnel detailed by other Federal agencies, or by establishing a government or government-controlled corporation to screen carry-on baggage and the traveling public. Additionally, the FAA will have the authority under this Act to make changes and adjustments in screening policy to assure safety.

This legislation would require the FAA Administrator to immediately make arrangements with airport operators for armed, uniformed law enforcement personnel at passenger, carry-on baggage and employee security checkpoints. O'Hare and Lambert Airports have already posted such personnel at passenger and carry-on baggage checkpoints.
